

Directions >From Kuala Lumpur by car via MEX Highway:

1. Get onto the KL-Putrajaya Highway (MEX Highway) from Jalan Tun Razak or the KL-Seremban Highway (North South Highway) or Kuchai Lama.
2. Exit toll at Putrajaya and take exit left after toll. (Do not go straight after toll as that leads you to KLIA)
3. Follow this road all the way straight on and do not exit any left exits...keep on this road till you reach a spot where this road goes into a sharp right hand bend towards a magnificent steel suspension bridge.
4. Cross the bridge and then at third traffic lights turn right...keep going straight to roundabout and exit 12 o'clock to cross another bridge (concrete bridge, this time)
5. You will reach a tee junction with traffic lights just under the PICC (Putrajaya International Convention Centre) which is a "flying saucer" shaped building on top of the hill.
6. Turn right at this tee junction and then turn right again at next traffic light following the Pullman Hotel sign.
7. You will see the orange roofed complex which is the Pullman Hotel - turn right into this internal road of Pullman Hotel and **Maritime Centre for the daily waterski & wakeboard operations centre within the Maritime Centre. Park in Maritime Centre's underground carpark. The boat dock is by the waterline of the Maritime Centre.**

If you are going to a waterski or wakeboard event please carry on straight from above

8. Keep following the road till the end and turn right at the bend...

9. Turn right at the next right hand bend again

10. You will then see a pyramid shaped building which is the swimming pool complex at the water-edge - the event carparks are located here. You can also walk along the nice waterlined promenade to Maritime Centre and the Pullman Hotel from here (takes a couple of minutes).

Directions >From Singapore by car via North South Highway or from KLIA/LCCT:

1. After passing the exit to "Nilai" look out for exit to "KLIA" and take this exit.
2. You are now on the Elite Highway also named as the "North South Middle Link". After 10 minutes on this Highway, pass the exit to KLIA (do not exit to KLIA...those from KLIA/LCCT exit left 2km after the KLIA toll) and pass the rest halt exit another 10 minutes later. Immediately after the rest halt Exit you will see sign to "Putrajaya"...exit to Putrajaya.
3. Follow this road all the way straight on and do not exit any left exits (you will notice an exit to the left "MEX Highway to Kuala Lumpur" do not take it unless you want to visit K.L. later on) ...keep on this road till you reach a spot where this road goes into a sharp right hand bend towards a magnificent steel suspension bridge.
4. Cross the bridge and then at third traffic lights turn right...keep going straight to roundabout and exit 12 o'clock to cross another bridge (concrete bridge, this time)
5. You will reach a tee junction with traffic lights just under the PICC (Putrajaya International Convention Centre) which is a "flying saucer" shaped building on top of the hill.
6. Turn right at this tee junction and then turn right again at next traffic light following the Pullman Hotel sign.
7. You will see the orange roofed complex which is the Pullman Hotel - turn right into this internal road of Pullman Hotel and **Maritime Centre for the daily waterski & wakeboard operations centre within the Maritime Centre. Park in Maritime Centre's underground carpark. The boat dock is by the waterline of the Maritime Centre.**

If you are going to a waterski or wakeboard event please carry on straight from above

8. Keep following the road till the end and turn right at the bend..

9. Turn right at the next right hand bend again

10. You will then see a pyramid shaped building which is the swimming pool complex at the water-edge - the event carparks are located here. You can also walk along the nice waterlined promenade to Maritime Centre and the Pullman Hotel from here (takes a couple of minutes).
